## TEQUILA MENU

---

As a 25ml shot or great over ice.

**PATRON SILVER £4.50**

Smooth, soft and light tequila with an aged and slightly oaky flavour

**CHINACO REPOSADO £4.60**

Named after a group of Mexicans who fought during the War of Reform, this is an unusual 100% blue agave tequila

**SAUZA HORNITOS £4.30**

Traditionally produced and considered a local symbol of perfection

**ARETTE ANEJO £4.30**

A superb ultra-premium 100% blue agave tequila from Jose Cuervo

**HERENCIA SILVER £4.40**

You don't need a degree in tequila engineering (actually available in Mexico!) to understand this drink - excellent flavour

**LA PENCA MEZCAL £4.10**

Fine you caught us! Mezcal may not be a tequila, but just give this sweet and smoky drink a try - with not one, but two worms incarcerated eternally in its powerful liquor

**SOTOL HAÇIENDA BLANCO £4.20**

From hacienda de chihuahua, this is a tequila of formidable reputation and offers the most honest 100% wild-harvested agave flavour

**SAUZA CONMEMORATIVO £4.95**

A tequila that surprises the taste buds with its diversity - citrus, vanilla, caramel, pepper and even toasted oak scents

**PATRON XO CAFÉ £4.40**

An extraordinary blend of ultra premium tequila and the pure, natural essence of the finest coffee

**FRIDA KAHLO £4.50**

100% blue agave and made in Jesus Maria, in the highlands of Jalisco, Mexico. The controversial artist for whom this tequila is named was said to polish a bottle of tequila off every day to help inspire her creativity
